ARTICLE II

REPRESENTATIONS AND WARRANTIES OF SELLERS

The Seller hereby represents and warrants to the Purchaser as follows:

Section 2.1 Authority and Approvals. The Seller has the power and authority to enter into and perform its obligations under this Agreement, and all action necessary to authorize the execution, delivery and performance of this Agreement and the consummation of the Transaction has been duly and validly taken. The Agreement has been duly and validly executed and delivered by the Seller. Assuming this Agreement constitutes a valid and binding agreement of the Purchaser, this Agreement constitutes a valid and binding agreement of the Seller, enforceable against the Seller in accordance with its terms.

Section 2.2 The Shares. The Seller is the record and beneficial owner of the Shares. Except for this Agreement, there is no agreement, arrangement or understanding with any other Person regarding the sale or transfer of any Shares, and there exist no liens, claims, options, proxies, voting agreements, charges or encumbrances of any kind affecting the Shares, other than any restrictions on transfer that may be imposed by Law. Upon transfer of the Shares to the Purchaser at the Closing against payment of the Purchase Price, the Purchaser will acquire ownership of the Shares, free and clear of all liens, claims, options, proxies, voting agreements, charges or encumbrances of any kind affecting the Shares, other than any restrictions on transfer that may be imposed by Law. The Company is engaged in business, is not in the organizational stage or in bankruptcy or receivership, and is not a blank check, blind pool, or shell company that has no specific business plan or is intended to engage in a merger or combination with, or an acquisition of, an unidentified person. The Seller has held the Shares for more than five years.

Section 2.3 Investment Purpose. The Seller represents that (a) it acquired the Shares for investment purposes only and not with a view toward distribution or resale in violation of any applicable securities Laws, and (b) it is selling the Shares, as principal, for its own account and not as a broker or agent for another party. The sale of the Shares does not constitute the whole or part of an unsold allotment to, or a subscription or participation by, a broker or dealer as an underwriter of the securities or a redistribution.

Section 2.4 No General Solicitation; etc. The Seller acknowledges that (a) neither the Seller nor any of its Representatives has either directly or indirectly, including through a broker or finder, offered or sold securities through any general solicitation relating to the purchase of the Shares; and (b) the Purchase Price was determined through private arm's length negotiations between the Purchaser and the Seller, and neither the Purchaser nor the Seller is under any obligation or compulsion to enter into this Agreement. No offering documents were provided by the Seller to the Purchaser.

Section 2.5 Conflicts. The execution, delivery and performance of this Agreement will not (i) violate, conflict with, or result in the breach, acceleration, default or termination of, or otherwise give any other contracting party the right to terminate, accelerate, modify or cancel any of the terms, provisions, or conditions of any material agreements or instrument to which the Seller is a party or by which it or its assets may be bound, or (ii) constitute a violation of any material applicable law, rule or regulation, or of any judgment, order, injunctive, award or decree of any court, administrative agency or other governmental authority applicable to the Seller. The Seller is not the Company or a subsidiary, directly or indirectly, of the Company. The Seller is a significant stockholder of the Company, and the Seller has no reasonable grounds to believe that the Company is in violation of the securities laws or regulations.

Section 2.6 Broker's Fees. The Seller has no liability or obligation to pay any fees or commissions to any broker, finder or agent with respect to the Transaction.

Section 2.7 No Bad Actors. Neither the Seller nor, to the Seller's knowledge, any person that has been or will be paid (directly or indirectly) remuneration or a commission for such person's participation in the offer or sale of the Shares, including solicitation of purchasers for the Seller, is subject to an event that would disqualify an issuer or other covered person under Rule 506(d)(1) of Regulation D under the Securities Act or is subject to a statutory disqualification described under Section 3(a)(39) of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser represents and warrants to the Seller as follows:

Section 3.1 Authorization of Agreement. The Purchaser has the power and authority to enter into and perform its obligations under this Agreement, and all action necessary on the part of the Purchaser to authorize the execution, delivery and performance of this Agreement and the consummation of the Transaction has been duly and validly taken. This Agreement has been duly and validly executed and delivered by the Purchaser. Assuming this Agreement constitutes a valid and binding obligation of the Seller, this Agreement constitutes a valid and binding agreement of the Purchaser, enforceable against the Purchaser in accordance with its terms.

Section 3.2 Conflicts. The execution, delivery and performance of this Agreement will not (i) violate, conflict with, or result in the breach, acceleration, default or termination of, or otherwise give any other contracting party the right to terminate, accelerate, modify or cancel any of the terms, provisions, or conditions of the organizational documents of the Purchaser or any material agreements or instrument to which the Purchaser is a party or by which it or its assets may be bound, or (ii) constitute a violation of any material applicable law, rule or regulation, or of any judgment, order, injunctive, award or decree of any court, administrative agency or other governmental authority applicable to the Purchaser.

Section 3.3 Investment Experience. Purchaser is a sophisticated investor that, in the normal course of its business, invests in or purchases securities similar to the Securities and has (a) by reason of its business and financial experience, the capacity to protect its own interests in connection with the purchase of the Shares hereunder, (b) such knowledge and experience in financial, tax and business matters to enable Purchaser to evaluate the merits and risks associated with the purchase of the Shares hereunder and to make an informed investment decision with respect thereto, (c) adequate information concerning the Shares, (d) conducted, to the extent it deemed necessary, an independent investigation and exercised its own due diligence of such matters as, in its judgment, is necessary for it to make an informed investment decision with respect to the Shares and the purchase of the Shares hereunder, and (e) not relied upon the Seller for any investigation into, assessment of, or evaluation with respect to the Shares and/or the purchase of the Shares hereunder. Without limiting the generality of the foregoing, the Purchaser has reviewed with its own tax advisors the federal, state, local and foreign tax consequences of its investment in the Shares and the Transaction. The Purchaser is relying solely on such advisors and not on any statements or representations of the Seller or any of its agents. The Purchaser understands that it (and not the Seller) shall be responsible for the Purchaser's own tax liability that may arise as a result of its investment in the Shares and the Transaction.

Section 3.4 No General Solicitation, etc. The Purchaser acknowledges that (a) it has no knowledge of being introduced to Seller either directly or through any of its Representatives by means of any general solicitation or advertising relating to the sale of the Shares; and (b) the Purchase Price was determined through private arm's length negotiations between the Purchaser and the Seller and neither the Purchaser nor the Seller is under any obligation or compulsion to enter into this Agreement.

Section 3.5 Opportunity to Seek Counsel. The Purchaser has (a) had an opportunity to review and consider this Agreement before signing it, (b) been strongly encouraged to consult with its own attorney(s) and confidential advisors before signing this Agreement, and (c) read and understood all of the terms and provisions of this Agreement.

Section 3.6 No View to Distribution; Accredited Investor. The Purchaser represents that it is buying the Shares (a) as principal, for its own accounts for investment only and not as a broker or agent or in any other capacity for another party and (b) not with a view or any present intention toward effecting a distribution or resale in violation of any applicable securities laws. The Purchaser is an "accredited investor" as such term is defined in Regulation D of the Securities Act.

Section 3.7 Future Transfer. The Purchaser acknowledges and agrees that the Shares have not been, and will not be, registered under the Securities Act and may not be sold, pledged or otherwise transferred by the Purchaser without compliance with the registration provisions of the Securities Act or an exemption therefrom. The Purchaser acknowledges that the Shares are being transferred hereby under an exemption or exemptions from the registration and qualification requirements of the Securities Act which impose certain restrictions on the Purchaser's ability to transfer the Shares and shall be deemed to have been acquired in a transaction that (i) is not a distribution for purposes of Section 2(a)(11) of the Securities Act and (ii) does not involve any public offering. The Purchaser is aware of the provisions of Rule 144 promulgated under the Securities Act, including without limitation the applicable holding periods thereunder. The

Purchaser understands that any resale or other transfer, or attempted resale or other transfer, made other than in compliance with the above-stated restrictions shall not be recognized by the Company and such purported transaction shall be null and void ab initio and shall vest no right in the purported transferee.

Section 3.8 Broker's Fees. The Purchaser has no liability or obligation to pay any fees or commissions to any broker, finder or agent with respect to the Transaction.

Section 3.9 Excluded Information.

(a) The Purchaser acknowledges that the Seller is an existing stockholder of the Company and that the Seller may have access to and may possess material nonpublic information regarding the Company not known to the Purchaser (the "Excluded Information"). Such Excluded Information may or may not be material, may or may not have been publicly disclosed by or on behalf of the Company or the Seller, directly or indirectly, and may or may not be available to the Purchaser from sources other than the Company or the Seller. Such Excluded Information may include information received (A) by the Seller or its Representatives in their capacities as directors, stockholders or affiliates of the Company, (B) from the Company on a confidential basis, or (C) on a privileged basis from the attorneys, financial advisers or other Representatives of the Company. Although such Excluded Information may be indicative of a value of the Shares that is substantially different than the Purchase Price, the Purchaser is experienced, sophisticated and knowledgeable in trading securities of public and private companies and understands the disadvantages to which the Purchaser may be subject on account of the disparity of information as between the Seller and the Purchaser, and the Purchaser has nonetheless deemed it appropriate and in its best interest to engage in the purchase of the Shares hereunder. In respect of this Section 3.9, the Purchaser further represents, warrants and acknowledges that it: (a) is a sophisticated purchaser with respect to the Shares, (b) has adequate information concerning the Shares, (c) has conducted, to the extent it deemed necessary, an independent investigation of such matters as, in its judgment, is necessary for it to make an informed investment decision with respect to the purchase of the Shares from the Seller and with respect to the Seller as the seller of the Shares, and (d) has not relied upon the Seller for any investigation into, assessment of, or evaluation with respect to the purchase of the Shares from the Seller or with respect to the Seller as the seller of the Shares.

(b) The Purchaser hereby:

(1) agrees that neither the Seller nor its directors, officers, partners, stockholders, members, investors, employees, attorneys, agents or Representatives shall have any liability to the Purchaser or its affiliates with respect to the existence, possession or non-disclosure of any Excluded Information, whether arising directly or indirectly, primarily or secondarily, by contract or operation of law or otherwise, including as a matter of contribution, indemnification, set-off, rescission, or reimbursement;

(2) waives any right, claim or cause of action, at law or in equity, arising from or relating to, directly or indirectly, the existence, possession or non-disclosure of any Excluded Information, including without limitation pursuant to Sections 10(b) and 20A of the Exchange Act, or the rules and regulations promulgated by the Securities and Exchange Commission under the Exchange Act, and relinquishes all rights and remedies accorded by applicable law to a seller of securities with respect to the Shares to the maximum extent permitted by law, as well as all rights to participate in any claim, action or remedy others may now or hereafter have with respect to the foregoing;

(3) agrees that it has been given the opportunity to obtain information from the Seller concerning the terms and conditions of the Shares necessary in order for it to evaluate the merits and risks of the Shares. Notwithstanding the foregoing, it and its advisors are not relying on any communication (written or oral and including, without limitation, opinions of third party advisors) of the Seller or its affiliates as (i) legal, regulatory, tax, business, investments, financial, accounting or other advice, (ii) a recommendation to purchase the Shares, or (iii) an assurance or guarantee as to the expected results of the Shares; it being understood that information and explanations related to the terms and conditions of the Shares are made incidental to the other party's business and shall not be considered (A) legal, regulatory, tax, business, investments, financial, accounting or other advice, (B) a recommendation to purchase the Shares, or (C) an assurance or guarantee as to the expected results of the Shares. Any such communication should not be the basis on which the recipient has entered into a decision to purchase the Shares, and should be independently confirmed by the recipient and its advisors prior to purchasing the Shares; and

(4) with respect to the purchase and sale of the Shares, releases and discharges the Seller and its directors, officers, partners, stockholders, members, investors, employees, attorneys, agents or Representatives and all successors and assigns thereto (each a "Released Party") of and from any and all suits, demands, obligations, liabilities, claims and causes of action, contingent or otherwise, of every kind and nature, at law and in equity, which the Purchaser and/or its affiliates, successors or assigns may have against any Released Party, to the extent arising from or in connection with the existence, possession or non-disclosure of any Excluded Information whether asserted, unasserted, absolute, contingent, known or unknown.

(c) The Purchaser hereby represents to each Released Party that (i) it has not assigned any claim or possible claim against the Released Parties, (ii) it fully intends to release all claims against the Released Parties as set forth above, and (iii) it has been advised by, and has consulted with, counsel with respect to the execution and delivery of this Agreement and has been fully apprised of the consequences of the waivers and releases set forth in this Section 3.9.

(d) The Purchaser has received and reviewed a copy of the offering documents including the risk factors relating to the Securities, and such other

information as it deems necessary in order to make its investment decision, including but not limited to: (A) the exact name of the Company and the Company's predecessor (if applicable), (B) the address of the Company's principal executive offices, (C) the exact title and class of the Securities, (D) the par or stated value of the Securities, (E) the number of shares or total amount of the securities outstanding as of the end of the Company's most recent fiscal year, (F) the name and address of the transfer agent, corporate secretary, or other person responsible for transferring shares and stock certificates, (G) a reasonably current statement of the nature of the business of the Company and the products and services it offers, (H) the names of the officers and directors of the Company, (I) the names of any persons registered as a broker, dealer, or agent that has or shall be paid or given, directly or indirectly, any commission or remuneration for such person's participation in the offer or sale of the Securities, and (K) the Company's most recent balance sheet, dated as of [____] and profit and loss statement dated as of [____] and similar financial statements, which (i) cover the Company's two preceding fiscal years and (ii) are prepared in accordance with generally accepted accounting principles in the United States.

(e) The Purchaser acknowledges that it assumes all economic risk of loss that may occur as a result of changes in the prices of the Securities.

(f) Except as otherwise disclosed to the Seller in writing: (i) The Purchaser is not resident in (a) a jurisdiction that has been designated by the Secretary of the Treasury under Section 311 or 312 of the USA PATRIOT Act of 2001 (the "PATRIOT Act") as warranting special measures due to money laundering concerns or (b) any foreign country that has been designated as non-cooperative with international anti money laundering principles or procedures by an intergovernmental group or organization, such as the Financial Action Task Force on Money Laundering, of which the United States is a member and with which designation the United States representative to the group or organization continues to concur (a "Non Cooperative Jurisdiction"); (ii) the Purchaser's funds do not originate from, nor will they be routed through, an account maintained at (a) a Foreign Shell Bank, (b) a foreign bank (other than a Regulated Affiliate) that is barred, pursuant to its banking license, from conducting banking activities with the citizens of, or with the local currency of, the country that issued the license, or (c) a bank organized or chartered under the laws of a Non Cooperative Jurisdiction; and (iii) the Purchaser is not a senior foreign political figure, or any immediate family member or close associate of a senior foreign political figure, in each case, within the meaning of the PATRIOT Act.

ARTICLE IV

MISCELLANEOUS

Section 4.1 Legends. The Purchaser understands that the Company will place a restrictive legend on any stock certificate(s) or electronic book-entry evidencing the Shares as required by applicable law, the Company's governing documents or other policies. The Shares will bear a legend to the following effect and agrees to comply therewith unless the Company determines otherwise consistent with applicable law:

THE SECURITIES EVIDENCED HEREBY HAVE NOT BEEN REGISTERED AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT").
